- Not Applicable

Master Plan: *[Please select the corresponding Master Plan from the dropdown menu below (if applicable)]*

Choose an item.

Background Information:

The City of San Marcos passed a bond election in May of 2017. The first proposition was related to four public safety projects- a police station remodel and expansion, an additional fire station within the City, a relocation of an existing fire station and the creation of a fire training facility. The second proposition was related to a 29,000 expansion and a remodel of the existing San Marcos Library. City staff has recently issued the General Obligation Bonds for these projects. City staff would like to provide an update on what they have been working on since the bond election such as reviewing the most appropriate alternative delivery method for procuring these facilities. City staff will provide the City Council on some projected timelines as to how these facilities are progressing. City staff will also update the City Council on the Public Services/Community Services Maintenance Facility as well as some opportunities for a future City Hall.
