Background Information:

The federal department of Housing and Urban Development (HUD) requires the creation of a Consolidated Plan that sets strategic priorities and goals for next five years of HUD grant funding, identifies types of activities the City will fund, and acts as the foundation for future one-year Action Plans. Staff is recommending two amendments to the 2015-2019 Consolidated Plan because this plan governs the use of funds through the current program year 2019-2020.

One of the proposed amendments is to add the Community Development Block Grant-Coronavirus (CDBG-CV) allocation of \$425,261 to the 2015-2019 Consolidated Plan. This amendment provides the ability to consider project and program requests for CDBG-CV funds as an amendment to the 2019-2020 CDBG Entitlement Action Plan, enabling immediate use of the funds.

The other proposed amendments is to add Economic Development as a funding category so that projects and programs may be considered in this category in response to the COVID-19 pandemic. The categories of activities identified in the original 2015-2019 Consolidated Plan were:

- Affordable Housing
- Public Services

- Public Facilities/Infrastructure/Transportation
- Clearance Activities
- Program Administration

The proposed amendment would mean that projects and programs can be considered for CDBG-CV funding in any of the above categories as well as Economic Development, as long as the use is in response to impacts of the COVID-19 pandemic.

The guidance issued by HUD to date for CDBG-CV includes waiving the 15% cap on funds used for Public Services, and allowing for a minimum five day public comment period for the changes to the 2019-2020 CDBG Entitlement Action Plan, instead of the usual minimum of 30 days. A public hearing is required prior to commencement of the comment period. Therefore, a public hearing will be held this evening, and the comment period will be May 24-30, 2020. Staff will report on comments received and ask City Council to consider approval of the amendments at the June 2, 2020, City Council meeting.

Proposed amendments to the plan are identified in “red.”
