**BACKGROUND:**

Endeavor Real Estate Group has acquired approximately 18 acres of land on Thorpe Lane and Springtown Way, providing for consolidated ownership of the majority of the former "Springtown Mall" site. Endeavor

proposes to redevelop the property through a combination of refurbishing existing structures and signage and construction of new structures and signage.

The City wishes to induce Endeavor to develop a high-quality real estate project, as doing so would benefit the City through substantial investment in, and improvements to, real property, the creation of new jobs, and the generation of additional sales and property tax revenue.

The attached Chapter 380 Economic Development Incentive Agreement includes the following provisions:

- Rebates of a portion of newly added property taxes and sales taxes generated from the project over 10 years as follows:

	<i>Property Taxes</i>	<i>Sales Taxes</i>
1	100	90
2	100	90
3	80	80
4	80	80
5	60	60
6	60	60
7	40	40
8	40	40
9	20	20
10	20	20

- *The owner is to make a capital investment of at least \$27.5 million. If the actual capital investment falls short of this target, the grant payments will be reduced by the percentage of the shortfall.*
- *The City will waive certain sign standards and development code standards to allow existing conditions on the site such as impervious cover to continue and to redevelop without meeting current standards. The LDC provisions being waived are:*

Impervious Cover, Max%: Table 4.1.6.1

Required Landscape Area Standards: Sec 6.1.1.4

Parking Area Screening: Sec 6.1.2.2

Lighting and Glare Standards: Sec 6.5.2.1(d)

Sidewalks: Sec 7.4.2.3

Material Standards: Sec 4.4.2.1

Minimum Rear Yard: Sec. 4.2.2.7(d)3, for "Lot D," as shown in **Exhibit "A"**

The City is authorized under Chapter 380 of the Local Government Code to offer economic development incentives for public purposes, including the promotion of local economic development and the stimulation of business and commercial activity in the City.
