### **BACKGROUND:**

One bid was received on January 12, 2017 for the San Marcos River Access Point Repairs (IFB 217-082). The engineer's estimated cost of this bid was \$56,000, the bid amount was \$237,712.10. This bid was rejected because the bid from Myers Concrete was significantly more than the available funding for the project.

The purpose of this project was to modify seven existing access points along the section of the San Marcos River extending from Dog Beach to Ramon Lucio Park.

The estimated construction time is Thirty (30) calendar days to final completion.
