BACKGROUND:

The subject property is part of the Blanco Vista Planned Development District, and has a base zoning of Mixed Use. This section is within the single-family portion of the development and provides for the development of 25 residential lots, one (1) drainage lot and one (1) small park lot. One (1) new street, Emery Oak Court, is proposed. The site is part of the continued build-out of the Blanco Vista subdivision. All lots are located above and outside of the limits of the LOMR approved by FEMA in April 2017 (Case No. 17-06-1994A). Elevation certificates for those homes will be required at the time of building permit. Parkland dedication was completed with the initial phase of this project, and is not required for this individual plat. The preliminary plat for this tract

was approved by the Commission on April 11, 2017.

Staff has reviewed the request and determined that the final plat meets the requirements of Section 1.6.5.5 of the Land Development Code and recommends **approval** of the final plat as submitted.
