Flood Protection Master Plan

Background Information:

The City of San Marcos was awarded \$33,794,000 to address the impact of the floods of 2015. Substantial Amendment No. 6 to the Community Development Block Grant - Disaster Recovery Action Plan will expand the Housing Program under the Owner-Occupied Rehab/Reconstruction Program to include the Reconstruction on City-Owned Property Program (RCOP) which provides an opportunity for Applicants that would otherwise not be eligible (ex. being located in the floodway or own home but not the lot) for the CDBG-DR program to receive benefits in the form of a no cost to Applicant City Owned Residential Lot and a CDBG-DR financed stick built home. Key concepts of the RCOP include:

- The Applicant will surrender all rights to existing property
- The Applicant will be required to sign a deferred forgivable loan for a period of 30 years
- The applicant will be required to sign a Land Use Restriction Agreement that generally will:
 - Provide a First Right of Refusal to the City if Owner desires to sell for 30 years
 - Limit the sale of the Property to Low-to-Moderate Income Households for 30 years and get approval of sale by the City
 - Require a payback to the City for any years where a Low-Moderate Income Household

does not occupy the home

- Establishes a mechanism for approving the sale price of the Property
- Require that insurance and taxes remain current on the Property
- Require that the Owner provide proof that they not only own but also occupy the Property
