Background Information:

The property owner would like to rezone the property to Neighborhood Density -3 (ND-3) in order to subdivide the property into a maximum of 12 lots and construct zero lot line houses. The site is currently vacant.

The property is located in an Existing Neighborhood on the Comprehensive Plan, therefore, an Existing Neighborhood Regulating Plan is required to accompany the zoning request. If approved, the applicant will construct "Zero Lot Line House" Building Types on the property in accordance with the attached Existing Neighborhood Regulating Plan. Any deviations from the attached Existing Neighborhood Regulating Plan will require Planning and Zoning Commission and City Council approval.

At the October 26, 2018 Planning & Zoning Commission meeting, 5 people spoke during the Citizen Comment in opposition of this request.
