- ☐ Transportation - Choose an item.
- ☐ Not Applicable

Master Plan: Choose an item.

Background Information:

- At the December 11, 2018 Planning & Zoning Commission meeting, the Commission voted to recommend denial of the request for “HI” Heavy Industrial zoning for approximately 934 acres in Case No. ZC-18-21.
- The City Manager placed this matter back on the Commission’s agenda for reconsideration based upon a request from the Commission chair and a review of additional information provided by the developer and City staff regarding the Smart Terminal Rail Park and Katterra economic development projects proposed for the subject property. A letter from the City Manager explaining his request for reconsideration in more detail is included with the Commission’s packet.
- If the Commission votes in favor of this reconsideration item, then a public hearing would be conducted and action on the original zoning request would be taken at tonight’s meeting.
