

# City of San Marcos

## Legislation Details (With Text)

File #: Res. 2019-

117R

Type: Resolution

Status: Individual Consideration

File created: 5/14/2019 In control: City Council

Version: 1

On agenda: 6/18/2019 Final action:

**Title:** Consider approval of Resolution 2019-117R, approving Amendment No. 3 to the Airport Project

Name:

Participation Agreement between the City and the Texas Department of Transportation initially approved by Resolution 2015-80R and then amended by Resolution 2016-80R which authorized the City's acceptance of a grant from the Texas Department of Transportation for the construction of an 8,050 sq. ft. box hangar at the San Marcos Regional Airport; to increase the estimated project cost from \$816,667 to \$881,200; to approve the City's expenditure of the total project cost in local funds in the estimated amount of \$214,036.70; authorize the City Manager or his designee to execute any documents necessary for the implementation of the hangar development project; and declaring an

effective date.

|  | nangar is designed and bids have been received for construction. The total project cost is now \$881,220. |

Federal funds for the construction portion are capped at \$600,000 with 10% added as the local/city share. Expenditures above this are funded 100% by the City.

In 2015, \$74,130 in city funds were approved and expended for design and the City's estimated share of construction costs.

To complete the hangar, the City needs to fund \$139,906.70 and execute the TxDOT Amendment #3.

### File #: Res. 2019-117R, Version: 1

Amendment #3 reflects an addition of \$139,906.70 in local (City) funds. This increase is due to the difference between TxDot's 2015 Project estimated cost and 2019 actual construction bids.

Conservatively, the city expects a return on investment in less than nine years since it will be able to lease the hangar at market rates. And this provides much needed hangar space is in high demand at the airport.

Additionally, this total investment of \$214,036.70 will construct a new Airport asset worth \$881,200.70
