Background Information:

This change in service is for the estimate cost of 5 years of software maintenance and support for the Tyler Financial & Human Resources Software Application which is the financial system of record for the City. The amount escalates the maintenance cost by 8% annually and includes \$100,000 for additional services such as training, consultant hours, and implementation of future modules if needed. The estimated cost for 5 years of support with an additional \$100,000 for future services is \$1,331,986, bringing the total amount of the contract to \$3,075,066.
