Vision San Marcos - A River Runs Through Us

Background Information:

The subject property is currently located outside the City Limits in the Extraterritorial Jurisdiction (ETJ). The property is currently vacant and is adjacent to rural/agricultural property as well as the Union Pacific Railroad. In addition, the City recently approved annexation and zoning to the south of the subject property for a sportsplex facility.

The purpose of this zoning change to "Heavy Commercial" zoning is to allow the development of a self-storage facility.

The City of San Marcos will provide water and wastewater services at the site. The developer will be responsible for extending water and wastewater facilities through the site. Pedernales Electric Service will provide electric service.
