Background Information:

This is a City Council workshop to discuss and provide direction on the calculation and creation of the Fiscal Year 2021 budget and Fiscal Year 2020 Financial Update.

In this workshop, City Council will receive detailed information on revenue assumptions and recommendations for the FY2021 budget. This may include discussions on potential options to balance the budget with considerations to the preliminary revenue projections.

The budget process begins in the spring with formation of the Budget Policy. A preliminary budget is presented for discussion with City Council during workshops held on May 26 and June 30. Changes made during the workshops are incorporated in the Proposed Budget that is filed with the City Clerk by the mid-August.

Public hearings and further discussions are held in August and September and changes can be made to the budget until the adoption on September 15th.
