**Background Information:**

Air Carriage Over Texas, LLC (ACOT) is a commercial hot air balloon operator that recently relocated from Albuquerque, NM to San Marcos.

ACOT currently operates two balloons with plans to add a third based on demand. Balloons launch at dawn every day (weather permitting) and follow all applicable Federal Aviation Regulations including radio communication requirements.

The City recommends award of a Facility Use Agreement for the use of the large parking lot located at 4400 Highway 21 (Airport Management Offices) for \$35 per balloon, per launch to be paid on a monthly basis. The term of the agreement is month-to-month with a clause for immediate termination by the City for any reason, including but not limited to, safety concerns.
