Background Information:

This 16.67 ft alley was designated in 1904 with the recordation of the recordation of the Original Town of San Marcos subdivision in 1904. The southern portion of this alley was abandoned in 1973. All the properties adjacent to this right-of-way are owned by SM Block 21, LLC.

The Commission is tasked with making a recommendation to the City Council. If the City Council approves this request, the applicant will be required to obtain an appraisal of the right-of-way to be abandoned. The City Council will ultimately decide whether to approve or deny this request, and will do so as follows:

- City Council reviews the recommendation for the Planning and Zoning Commission and, for each street abandonment, provides direction to staff on whether the abandonment is acceptable subject to the obtaining of an appraisal.
- An appraisal for the area to be abandoned will be obtained.
- City Council will hold a public hearing and vote on the adoption of an ordinance approving the abandonment and the conveyance of the street or alley for the appraised value.
