Background Information:

Quotes were obtained from three lenders and the best interest rate was from U.S. Bancorp Government Leasing and Finance, Inc., at 1.32% for a seven (7) year term; the amount financed is \$501,445.95 with the total interest amount of \$19,941.20. Total amount paid at the conclusion of the financing agreement will be \$521,387.35. Payments will be annual with the first payment due on February 15, 2021. The procurement of capital equipment being financed are under separate resolution and they are as follows:

- 1) Dump Truck: The Public Services Department's Stormwater Management Division is purchasing a dump truck to haul spoils and street sweeping debris to the landfill while also supporting the daily operations of the Stormwater Management maintenance crew. This purchase is being made from Rush Truck Centers, Buda, Texas, in the amount of \$154,221.15, through the BuyBoard cooperative contract #601-19.
- 2) Takeuchi Excavator: The Stormwater Management Division is also purchasing a Takeuchi Excavator with Rubber Tracks and heavy-duty dozer blade to be used for the use of day to day operations. This purchase is being made from Waukesha-Pearce Industries, Inc., New Braunfels, Texas, in the

amount of \$76,739.80, through the HGAC cooperative contract #EM06-19.

- 3) Street Sweeper: The Stormwater Management Division is also purchasing a street sweeper to be used to sweep city streets and keep storm drains/bike lanes clear of sediment. This purchase is being made from TYMCO, Inc., Waco, Texas, in the amount of \$270,485.00, through the HGACBuy cooperative contract #SW04-20.
