Background Information:

The City of San Marcos receives full reimbursement for Women, Infants, and Children (WIC) Program expenses from the Texas Health and Human Services Commission (HHSC). Operating multiple WIC locations allows the COSM program to meet all federal and state WIC program component requirements. Our current lease in New Braunfels is expiring and a larger location would allow us to serve more WIC clients. This relocation would increase clinic size from 1,500 square feet to over 2,600 square feet and provide an abundance of parking.
