Background Information:

The zoning change request is comprised of 7 separate parcels, 4 of which are currently zoned CD-4 and 3 of which are currently zoned Character District-5. The request is part of the wider 328 acre River Bridge Ranch development, which is subject to a Settlement Agreement which allows the site to develop under the Codes and Ordinances in effect in 2007 (Land Development Ordinances can be found at <https://bit.ly/3KomLdm>) and details on the Settlement Agreement can be located via the interactive agenda at <https://san-marcos-tx.legistar.com/LegislationDetail.aspx?ID=4675279&GUID=4FBCC69F-1BBC-4E1D-A44B-6D3082984D43&Options=&Search=>>). The rest of the River Bridge Ranch development is already zoned Character District-3, and the developer (Lennar Homes of Texas) wishes to rezone the remaining tracts to CD-3 in order to provide single family housing throughout the entire development (see enclosed cover letter).

A Preliminary Plat for the site is currently under review (PC-22-47) - an application for a Plat Variance/ Alternative Compliance to the block length requirements has also been submitted by the applicant and will be heard by the Planning and Zoning Commission at a separate meeting.
