**Background Information:**

The City collect PEG (Public, Educational, and Governmental) funds from cable companies that provide services in the city limits. These funds are to be used to fund capital expenses to provide or enhance Public, Educational, and Governmental access. The funds cannot be used for operational expenses. The fund currently has a fund balance of approximately \$500,000.

When the FY2018 budget was adopted, funds were not allocated for the modification of the conference room for work sessions, purchase of related equipment, and purchase of additional equipment to be used in the production of video and the broadcasting of meetings. Staff is requesting the approval of an amendment to increase the budget \$60,000 to appropriate sufficient funds for these expenses.
