Background Information:

The subject property consists of approximately 56.6098 acres located northwest of the previously developed Majestic Estates Subdivision, which is also known as the Franklin Square, Castle Forrest, and Bishop Crossing neighborhoods. The property is currently vacant aside from two detention ponds.

If developed, the site would be accessed via Meadow View Drive and Stonehaven which dead-end into the subject property. A road connection to Old Ranch Road 12 will likely be required to meet fire code. The applicant has stated that he has secured the property in order to make this connection.

Council Committee, Board/Commission Action:

The Planning & Zoning Commission first heard this request at their May 8, 2018 meeting. After hearing concerns from nearby property owners, the Commission voted to postpone this request to the June 12 meeting to allow the applicant to discuss their request with the neighborhood. The applicant has since met with the Neighborhood Commission and CONA regarding his request.
