Background Information:

Rate modeling for the Resource Recovery Utility indicates the need for rates adjustments to both the single family and multifamily rates for fiscal year 2019. This rate adjustments will fund expenses for the Resource Recovery services provided, educational and public outreach, and administration of the program.

Adjustments are as follows:

Single Family Residential-	.81 cent adjustment
Multifamily Recycling-	.32 cent adjustment
Extra Cart-Trash-	.19 cent adjustment
Extra Cart-all others	.18 cent adjustment

The single family rate includes a 65-gal trash cart, 96-gal recycling cart, 96-gal green waste cart, Green Guy Recycling services, Household Hazardous Waste drop off, brush drop off, downtown trash/recycling public container service, City special events trash, and community clean ups. There is an extra \$3 per month for a 96-gal trash cart if requested instead of a 65-gal trash cart.

The multifamily recycling service includes on-site recycling, Green Guy Recycling services, Household Hazardous Waste drop off, downtown trash/recycling public container service, City special events trash, and community clean ups.
