Background Information:

On August 21, 2018, the City Council passed a resolution authorizing the publication of a notice of intent (the "Notice Resolution") to issue City of San Marcos, Texas Combination Tax and Surplus Revenue Certificates of Obligation in a maximum principal amount not to exceed \$1,935,000 (the "Certificates").

The Notice Resolution stated that the City Council tentatively proposed to authorize the issuance of the Certificates at its regular meeting of the City Council to commence at 6:00 p.m. on October 2, 2018. Bond Counsel was not aware that the regularly scheduled meeting date had been moved from October 2, 2018 to October 1, 2018 to accommodate National Night Out in San Marcos.

Due to this it necessary to delay action on the ordinance authorizing the issuance of the Certificates until the regular meeting of the City Council to commence at 6:00 p.m. on October 16, 2018. These bonds are being issued through the Texas Water Development Board (TWDB) for reimbursement of the purchase of the Millican Tract. The City's financial advisor and bond council are working with TWDB and do not believe the closing on the bonds will be delayed by moving the authorization to October 16th.
