Solid Waste Master Plan

**Background Information:**

The City of San Marcos operates a regional Household Hazardous Waste (HHW) Drop-off Facility open to all residents of Hays County. The HHW Drop-off Facility is open Tuesdays and Fridays noon-3:30pm.

Because the operation hours aren't convenient for all residents in Hays County, the City of Buda secured a CAPCOG grant for \$10,500 to hold a satellite event in Buda on November 17, 2018. The grant will cover the cost of disposal fees. The event will be utilizing our contract with Green Planet for disposal.

City of San Marcos Resource Recovery staff will manage the event and train Buda staff for future events.

Green Guy Recycling staff will also be working as part of their contract with the Habitat Conservation Plan to collect and sort household hazardous waste that is collected throughout Hays County.
