Stormwater Master Plan

Background Information:

In order to alleviate drainage issues and accommodate the improvements of the Hopkins Street project, downstream drainage improvements are necessary to be constructed. This project will construct a drainage system from the Hopkins and Travis Street intersection and outfall into Purgatory Creek in the Dunbar Park area. The construction will include water quality treatment prior to discharging into Purgatory Creek.

On October 30, 2018 the City received nine (9) bids in accordance with City Purchasing Policy and Local Government Code. Upon review of the bids received, City Staff recommends award to the lowest responsive and responsible bidder, Cox Commercial Construction, LLC from Austin, Texas in the amount of \$2,951,744.50.
