**Background Information:**

The property owner would like to rezone the property to Neighborhood Density -3 (ND-3) in order to subdivide the property into a maximum of 12 lots and construct zero lot line houses. The site is currently vacant.

The property is located in an Existing Neighborhood on the Comprehensive Plan, therefore, an Existing Neighborhood Regulating Plan is required to accompany the zoning request. If approved, the applicant will construct "Zero Lot Line House" Building Types on the property in accordance with the attached Existing Neighborhood Regulating Plan.

Any deviations from the attached Existing Neighborhood Regulating Plan will require Planning and Zoning Commission and City Council approval.

**Council Committee, Board/Commission Action:**

At their November 13 meeting, the Planning & Zoning Commission voted 7-1 to **deny** this zoning change request. Adoption of a motion to approve this zoning change request would require affirmative votes from at least 6 members of the City Council.

**Alternatives:**
