Background Information:

On March 6, 2018 City Council approved an Interlocal Cooperative Purchasing Agreement between the City of San Marcos and the City of Grand Prairie, Texas. Under the authority of Local Government Code Chapter 271, this ILA allowed the City to utilize Grand Prairie's contract with Viking Construction for the procurement of slurry seal materials for the City's street overlay and slurry seal program.

The initial term of the City's agreement with Viking Construction through its ILA with Grand Prairie ends on February 28, 2019. City staff recommends approval of renewal of this contract for the remaining three (3) years or until February 2022 for the amount of \$550,000 per year up to an estimated amount of \$1,650,000 for the term of the agreement. Contract renewals will be made administratively annually.
