Background Information:

Currently there are 9 boards/commissions that have specific roles listed among the membership and 4 out of those 9 are currently experiencing attendance issues with members that represent a specific stakeholder.

One possible option would be to allow the members that represent specific stakeholders in specific roles on a board or commission to send a proxy from the same stakeholder in their place. This proxy could count towards a quorum and could either be voting or non-voting.

All of the ordinances adopting the absence policy are attached for review so that you may see the progression and changes made over time.

Council Committee, Board/Commission Action:

The City Clerk has discussed this suggestion with the Mayor, Mayor Pro Tem and Deputy Mayor Pro Tem prior to placing the discussion on this agenda.

Alternatives:

Leave the policy as is.

Recommendation:

Stated above.
