Background Information:

In order to provide the necessary goods and services to respond to the COVID-19 pandemic, the attached ordinance temporarily increases the city manager's authority to enter contracts for budgeted items from \$50,000 to \$500,000 during the continuation of the current declaration of a local state of disaster. The authorization does not include procurements that do not meet exemptions from competitive bidding or proposals under Chapter 252 of the Texas Local Government Code.
