Background Information:

The Co Kitchen first opened September 2019 and operates as a shared commercial kitchen, bakery, and mobile food court. In November 2019, several propane explosions from food trucks on the property caused the temporary closure of the site.

The applicant has expressed interest in having occasional live music on the site. To limit potential disruptions to nearby properties, staff recommends restricting all amplified music to only be allowed between the hours of 11 am and 10 pm.
