Background Information:

The request is associated with the Mystic Canyon development which includes 127 single-family lots. In 2018, the applicant was granted a zoning change from FD to SF-6 for 56.6 acres of the property. While the developer also had the remainder of the property under contract, it was not included with the application materials for the original zoning change.

The Planning & Zoning Commission made a recommendation of approval for a zoning change for the remaining 5.217 acres. This request is scheduled for City Council first and second readings on their May 19 & June 2 meetings respectively.
