Master Plan: *[Please select the corresponding Master Plan from the dropdown menu below (if applicable)]*

Choose an item.

Background Information:

The project will rehabilitate the city's wastewater lift station located at 1248 Staples Road at the east corner of the Hills of Hay's neighborhood. The lift station was built in the 1980's and needs rehabilitation to bring it up to current TCEQ standards and extend its service life. Rehabilitation will include:

- Concrete repairs and coating to the wet well to repair and prevent future corrosion.
- Replacement and repair of defective mechanical components
- Surface work to reduce erosion from water runoff
- Replaced access gate and fencing for improved access and security.

The project is expected to last four months, weather dependent.

Solicitation 220-179 was issued on April 12, 2020 for rehabilitation of Hills of Hays wastewater lift station. On May 21, 2020, two bids were received. Award is recommended to the lowest responsive bidder, T. Gray Utility & Rehab., LLC, Houston, Texas in the amount of \$370,500.00. Note: The total amount bid reflected on the Bid Tabulation includes a \$45,000 Owner Contingency.
