Background Information:

City Council held workshops on May 26, June 30 and August 13 to discuss the fiscal year 2021 budget and tax rate. State law requires that the City hold a public hearing before the adoption of the tax rate when the proposed tax rate is more than the no new revenue tax rate. The proposed tax rate of 59.30 cents per \$100 valuation is higher than the no new revenue tax rate of 56.50 cents per \$100 valuation, thus requiring a public hearing. Notice of the public hearing scheduled for September 15 was published in the San Marcos Daily Record on September 6, 2020.

The tax rate of 59.30 cents per \$100 valuation will generate more property taxes than last year by \$2,714,724 or 7.9% and of that amount \$1,494,301 is tax revenue raised from new property and improvements added to the roll this year. For fiscal year 2021, the debt to operations ratio is 29.27% debt to 70.73% operations meaning 70.73 cents of every tax dollar goes to operations and 29.37 cents pays for debt service. The voter approval tax rate is 61.22 cents per \$100 of assessed valuation.
