Master Plan: *[Please select the corresponding Master Plan from the dropdown menu below (if applicable)]*

Choose an item.

Background Information:

The City is implementing a portion (subtasks 3 - 6) of the Texas State University Watershed Protection Plan grant. The grant consists of all in-kind non-federal match with \$75,175 federal cash grant. The grant goals are to remove invasive plants and plant native vegetation throughout the Sessom Creek Natural Area. Primary benefits include increased habitat availability for native plants and animals, as well as improved water quality for the San Marcos River as a result of increased hillside stability.
