Background Information:

Attached is the Section 2.042 of the City Code of Ordinance that relates to the Order of Business for Regular City Council Meetings. This is an opportunity to review the order of business and make recommendations.

Public Hearings often end up late in the evening and for a few years Public Hearings were held at 7:00 pm or as soon as the item that ran over into 7:00 was complete. Creating an earlier start time or changing the order of the Public Hearing to a set time will make it easier for the Public to Participate.

If revisions are proposed, this would come before Council at a subsequent meeting in the form of an Ordinance amendment.
