Background Information:

The Austin City Council recently approved amendments to the Interlocal agreements that established and fund the Austin Regional Intelligence Center (ARIC) to add five new law enforcement agency or private entity partners to ARIC. In order to complete the process of including these new agencies as ARIC partners, it is required that the governing bodies of all current partners also approve these amendments. The San Marcos Police Department is one of the original member agencies of ARIC. The new entities that are being added are the City of Lakeway, Westlake, Bee Cave, and Elgin as well as the Hutto Independent School District.

As a member agency of ARIC, the San Marcos Police Department is able to share and utilize crime information at the regional level which improves the ability of the organization to detect and deter criminal behavior in San Marcos.
