Water Master Plan

Background Information:

The City approved and executed the Regional Water Supply Contract effective January 15, 2008 for the financing, construction and operation of the Regional Water Supply Project. The City has previously requested the ARWA issue a separate series of contract revenue bonds for the City in an amount not to exceed \$43,955,000 to finance the City's contribution to the design, construction and equipment of the Phase 1B Improvements of the Regional Water Supply contract. This resolution is presented for City Council consideration and approval for the ARWA Board of Directors to approve a resolution authorizing the Bonds for the City's share of the Phase 1B improvements of the Water Supply Project.
