Choose an item.

Background Information:

The City of San Marcos received three (3) proposals in response to RFP 220-276 for SCADA Ignition Integration project. A City-staffed evaluation team evaluated all proposals and recommends award of contract to TMT Solutions, Inc., based on scored evaluations and final ranking. TMT Solutions, Inc., was selected as the best value to the City based on experience and qualifications, project approach and schedule and pricing.

The anticipated timeline for completion of this project is approximately forty-eight (48) months. The work will take place at the City's water and wastewater remote stations: 15 water sites, 56 lift stations (71 sites total), varying degrees of complexity/size.
