Airport Master Plan

Background Information:

On April 15, 2021, the City received one (1) proposal in response to RFP 221-106 for Lease of Hangar at the San Marcos Regional Airport. City staff and Texas Aviation Partners, a contractor to the City of San Marcos for airport management, evaluated the proposal submitted and have elected to award a lease contract to Olive Aviation, located in Buda, Texas, in the annual amount of \$14,400 revenue to the City. This equates to \$3 per square foot which is commensurate with other box hangar leases.

The Request for Proposal was advertised in numerous venues to include the City's social media accounts, the San Marcos Daily Record, the City's cable television channel, the Texas Comptroller's Electronic State Business Daily (ESBD), among others.
