Background Information:

A Combination truck supports wastewater pipe cleaning with its jet and vacuum systems and also can be used as a hydroexcavator. This unit will replace an existing 3-yard combination truck that is fourteen years old and is no longer fully functional.

Staff recommends award of a cooperative contract for capital equipment listed below through its authority granted by Local Government Code 271.101. The Water/Wastewater Division, Utilities Department is purchasing a combination truck from Houston Freightliner of Houston, TX through HGACBuy cooperative contract #HT06-20, for total amount of \$316,077.

This equipment is to be financed in the total amount of \$333,146.20 inclusive of interest which is \$17,069.20 over a seven-year term. The approval of the amendment to Master Finance Purchase Agreement with U.S. Bancorp for financing this equipment is on a separate Council Agenda Item on this date July 6, 2021.
