Background Information:

The City and Texas State University executed interlocal contract 217-077 on December 20, 2016 for the purpose of implementing the Edwards Aquifer Habitat Conservation Plan to include removal of non-native plants, Texas wild rice enhancement, and management of key recreation areas.

Modification 1 was signed on December 19, 2019 to include the removal of floating plant mats. The proposed Modification 2 adds the HCP manager description and modifies the contract termination date. This project will continue to be funded by the Edward Aquifer Authority through the City of San Marcos.
