Background Information:

The City of San Marcos currently maintains a comprehensive contract with Tyler Technologies, Inc. for Financial and Human Resources Software Application, Environmental Health Data Management System, MobileEyes Mobile Inspection Software for the Fire Department and Computer Aided Dispatch and Records Management.

This change in service will add additional services for a mass conversion of the Enterprise Tyler Munis System department codes. The update will involve changing Alpha department codes to Numeric department codes including retroactive changes to historical records. These changes will create accurate data management that will accommodate past, current, and any future City reorganization changes, greater accuracy during audits, as well as streamline daily processes.

Affected modules include: Capital Assets, AP Invoices, Purchasing, P-Card Statements, Requisitions, Requests for Check, Purchase Orders, Contracts, Bill To/Ship To Locations, Time Entry Activity Codes, Activity Codes, Asset Administrative and Servicing Departments, Servicing Departments, Requisition Departments, User Attributes (profile), Role Permissions and Workflow Business Rules.

This amendment is a one-time service for department code conversion in the amount of \$60,000.00.
