Background Information:

Olive Garden is an existing business that previously received approval for a CUP request in 2018 permitting the sale and on-premises consumption of mixed beverages. Since last receiving approval in 2018, the establishment has not made any changes and is seeking to renew the alcohol CUP.

Identical to the business' previous CUP approval, the conditions that are recommended have an intent to prevent potential noise from disturbing the nearby single-family residences. These conditions include restricting any outdoor seating, limiting the volume of any outdoor music, restricting large trucks from accessing the property from the neighborhood street (Hays Street), and requiring employees to park furthest away from the single-family homes.

1. The permit shall be valid for three (3) years, provided standards are met.
2. The building shall be no closer than 40 feet to the property line of the nearest residential property.
3. No outdoor dining space is allowed.
4. No outdoor amplified music shall be audible across property lines.
5. Trucks longer than 30 feet must ingress and egress on the IH-35 service road (not Hays Street).
6. Olive Garden must require employees to park on the side of the parking lot furthest from the residential properties on Parker Drive.
7. The permit shall be posted in the same area and manner as the Certificate of Occupancy.
