Background Information:

The City has received a request for a Development Agreement to establish construction standards for an approx. 80-acre tract located immediately to the south of the Trace development between the I-35 N Frontage Road and Old Bastrop Highway, currently located in the ETJ. The applicant is proposing to develop the site for a warehouse and manufacturing use with a Light Industrial Base Zoning District. A draft development agreement was submitted as part of the application and is included in the packet. The submitted development agreement includes, among other things, the establishment of a base zoning district of Light Industrial with the exclusion of certain "Waste-Related", "Vehicle Service" and food and beverage/brewery uses. Applications for Development Agreements should be considered under [Chapter 2, Article 4, Division 3 <https://user-3vpeqil.cld.bz/San-Marcos-Development-Code-effective-November-3-2021/40/>](https://user-3vpeqil.cld.bz/San-Marcos-Development-Code-effective-November-3-2021/40/) of the Land Development Code.
